

YOUTHFORCHRIST's Teenparents

www.yfcdetroit.org

YFC reaches young people everywhere, working together with the local church and other likeminded partners to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to the Word of God and prayer, passion for sharing the love of Christ and commitment to social involvement.

What is Teen Parents?

Through relational, holistic ministry, Teen Parents serves young moms, dads and their children by influencing character, developing parenting skills and equipping life-long followers of Jesus.

Why Teen Parents?

Teen Parents applies distinctive ministry strategies for this unique population of teenagers who often experience the challenge of addiction, domestic violence, patterns of abuse, poverty and lack of education, all while parenting.

How Does Teen Parents Work?

Teen Parent Ministries strive to meet specific needs in their communities which vary geographically and socio-economically. While programming may take on a variety of approaches, this is our foundation:

Teen Parents is relationship-based evangelism. We model "3Story"; a way of life in which followers of Jesus ARE good news while telling stories of THE Good News. We are friendly, non-judgmental adults who abide in Jesus, allowing HIS love to flow freely in our relationships with teen parents.
