Impacting young people in the Tri-County Area.

For over 80 years YFC has continued to find ways to mentor teens in the Detroit Metro Area. This summer we're connecting with and building strong values and solid character in the lives of teens by utilizing our Adventure Dirt Bike program, Campus Life and City Life Clubs, camps, archery, Fishing, sports, and other activities at our Community Center.

Your financial involvement enables us to teach life-skills and challenge teens to make wise choices and decisions that impact all our tomorrows.

Kids are our Future! Young people need the intervention of caring adults today! Your involvement keeps feet on the ground for year-round programs as we battle for the hearts of this generation. **Together, We Make a Difference in the Lives of Kids!**

I look forward to seeing you,

Rev. Dale A. Bishop,
Executive Director
