**Help us expand our impact on young people in the Tri-County Area.**

Since 1944 YFC has continued to find ways to mentor teens in the Detroit Metro Area. This summer we're utilizing our dirt Bike program, camps, Fishing, Music, Archery, and other activities at our Community Center to connect with and build strong values and solid character in the lives of teens. Your financial involvement enables us to teach life-skills and challenge teens in making wise choices and decisions in life.

### Kids Remain our Greatest Treasure & Wisest Investment!

Unfortunately, many young people continue to be faced with Serious Social, Emotional, & Spiritual Issues like: Loneliness, Depression, Drugs, Alcohol, Gangs, Suicide, Teen Pregnancy, and Broken Family Systems.

The above realities create an environment that Destroys Hope and supports unhealthy lifestyles and choices.

**Kids are our Future!** Young people need the intervention of caring adults today! Your financial involvement enables us to teach life-skills, challenge teens to make wise choices and decisions.

**Working Together We Can Make a Difference in the Lives of Kids**

**Register today.**

I look forward to seeing you,

Dale A. Bishop, Executive Director
